Dear parents,

12th May 2017

Well done to all of Year 6 who have now finished their SATs tests. It's a pity Mrs Bailey is behind the camera on this "after" photo since her jump of relief would have been the highest of them all!

Pupil Progress Snapshots

The portal for the online snapshots of the children's progress and attainment is open for the next week. www.mychildsreport.co.uk If you are struggling to log on, have lost your username and/or password or need an additional log in please let us know and we can create a new one for you.

If you have any questions about the content of the report please speak to your child's teacher.

A couple of parents have queried the difference between the lights and the attainment grid on the second tab of the report. The lights are coloured to show how much progress your child has made so far this year and the grid is a snapshot of where your child is compared to national scales. A child may have made very good progress but still be below the expected grade, or may have made slow progress but still be above the expected grade. The graphs on the final tab of the report are a better indication of progress over time.

Reading Survey

A final call for responses to our reading survey which you can find at <http://horspath.oxon.sch.uk/survey/>. Thank you for the responses so far, they have been really useful. We have had responses for 50 children so far; so just 89 to go!

Lunch Money

If you are paying for school lunches by cheque, could you please now make it payable to Horspath Primary School.

Easter Service

It seems a long time ago now but there are some lovely photos and a video from our Easter Service available on our school website at <http://horspath.oxon.sch.uk/gallery/easter-service-april-2017/>.
