

Horspath Church of England Primary School Newsletter 26 April 2019

Half Term Value: Perseverance

" But you need to stick it out, staying with God's plan so you'll be there for the promised completion".

Hebrews 10:36- The Message Bible

Dear Parents/Carers,

You can tell the weather is getting warmer when classes start growing plants. Lime class are busy growing sunflowers, Beech are about to plant broad beans and Acorn have planted a selection of flowers for their garden centre.

This week has been Y6 SATs week and all the Y6s have worked really hard in their tests. Y6, we wish you all very best-remember that your wonderful qualities go far beyond what a test can ever measure. Y2 SATs are next week.

Many of you will notice the new signs around school. The signs are similar across all schools in the trust, showing that we are part of the RLT family. You will notice that there is no school logo on the signs. This is because the current logo does not come in a usable format and with that in mind have decided to update it. If you have expertise in graphic design or marketing and would have a few hours to spare with helping us design a new logo please get in touch via the school office.

New administrator

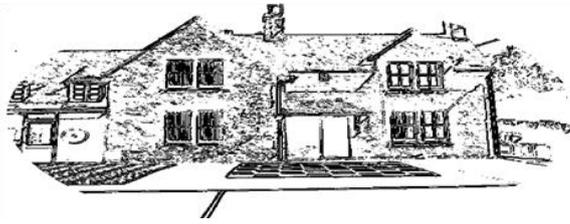

We welcome Mrs Linda Watkins who is our new administrator. Linda starts with us full time after the holiday but you may see her before then as she completes some induction days.

New arrival

We congratulate Miss Burgess on the arrival of her new baby boy Arthur Adrian Mark; born 12th May at 12.38 am weighing 7lb 10oz Both Mum and baby are doing well.

Horspath Church of England Primary School Newsletter 26 April 2019

Science week

Last week we had a Science day – it was great to see all the children so involved and enthusiastic. Here are a few pictures to show what we got up to.

Health and safety – new Adventure play area

We would like to remind you that the new adventure play area should not be used before and after school. For health and safety purposes it is only to be used under the supervision of a member of school staff.

Healthy eating

Some parents have asked about a healthy eating reminder. We ask that you send something healthy for break snack such as fruit or dried fruit and that a balanced range is put into lunch boxes. Staff on duty do look at what pupils are eating and may point out if something is not too healthy.

Many Thanks

Mrs. Rachel Medley
