

Sports Grant Allocation at Horspath CE Primary School

What is the Sports Premium?

The Government has provided a total of £600 million over the academic years 2013/14, 2014/15, 2015-16 and 2016-17 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to Primary school Head Teachers to spend on improving the quality of sport and PE for all their children. For 2017-18 the funding doubled.

Purpose of the funding

All schools have to spend the sport funding on improving their provision of PE and sport, but there is freedom to choose how we do it. Our school aims to maintain the London 2012 pledge to 'inspire a generation' and increase participation in competitive sport.

At Horspath CE Primary School we recognise that PE plays an important role in the health and wellbeing of children and the positive impact PE and extra-curricular activities can have on the attitudes, confidence and academic achievement of all our children. PE is an essential part of our curriculum that is inclusive, encourages teamwork, develops health and inspires competition and excellence. Each child takes part in an extensive programme of PE that includes games, dance and gymnastics. All children go swimming in Key Stage 2 and a variety of sporting activities are available through After School Club provision.

We have previously used our sports grant to:

- Appoint specialist sports coaches to provide a wide range of high quality activities during and after school
- Continue to develop the role of the Playground Pals in leading games, providing positive role models and helping to promote positive behaviour
- Support all children in learning to swim by the end of their time at Primary School
- Continue promoting competitive sport within the Wheatley Partnership including events such as Mini Olympics, Sportshall Athletics, Swimming Gala and Area Sports.

Each school received £8,000 plus an extra £5 per pupil over the first 4 years.

- Horspath CE Primary School received **£16000** in 2018-19 plus an extra £10 per pupil.

The premium must be used to fund additional and sustainable improvements to PE provision in schools.

PE and Sports Premium Spending 2018-19

•Swimming (transport, pool hire)	£1775
• Adventure Playground	£7511
•Event transport	£445
•Grounds Maintenance	£2292
•PE Coordinator cover	£440
•Staff training	£90
•Peer Mediator Training	£340
• Playground Pals	£340
• Walk to School activities	£340
•PE Consultant Sports package	£903.50
•Yoga	£2613
•PE equipment	£1017
•Area Sports	£500
•Lunchtime Sports Clubs	£565
•Sports Safe	£200
•Indoor PE Inspection	£200

Additional funds from the main school budget were also used to realise these activities in line with our primary aim to encourage the development of healthy, active lifestyles.

Embedding 'Growth Mindset' in our curriculum has resulted in children being more engaged in sports activities and they have been inspired by Olympic and Paralympic role models. Our sports initiatives have improved the quality of PE teaching and learning for all pupils. Our carousel Sports Day (introduced as part of the 3 year programme) has fostered a love of sport amongst less confident children bringing out their competitive spirit in line with the London 2012 pledge. New equipment and specialist coaching has raised participation and enjoyment in energetic play at break and lunchtimes. Our Playground Pals have developed into ambassadors encouraging teamwork across all age groups and promoting inclusion.

Planned spending 2019-20	Cost	Benefit	Impact
Play installation and safety surface	Tbc	Purpose built structure to promote development of gross motor skills for children in EYFS and Key Stage 1.	Safe environment for children to explore and develop their emerging physical skills. Children demonstrate improved gross motor control and coordination, they persevere to master challenging sections and are supportive of each other. Early indication shows positive impact on the development of children's fine motor skills
PE resource orders	Tbc	Specialist equipment to develop and improve skills. Opportunities to track PB's and monitor progress.	
Anti-bullying Week	-----	Improve wellbeing throughout the school resulting in increased self confidence and motivation. Ensure children understand the importance of working together and supporting each other.	Fall in conflict at playtimes has had a positive impact on behaviour across the whole school. Children have benefited from focus on boosting self confidence and motivation. They are all increasingly keen to demonstrate good sportsmanship.
Peer Mediator Training	£340	Positive role models inspiring their peers to be supportive and help each other to develop new skills.	
Playground Pals	£340	Promote a supportive environment where older pupils encourage younger ones and help them to work together to achieve their goals, inspiring the next generation of athletes. Increased participation in sports activities and raised fitness levels across the school.	
Oxford Half Schools Challenge (34 children Y3-6)	£340	Raise awareness of the importance of a healthy lifestyle and the impact on our wellbeing. Promote healthy living and raise fitness levels. Increased self-esteem as confidence and skills grow.	All children who took part demonstrate increased fitness levels and have been positive role models to younger children encouraging them to take on the challenge. We are currently looking into opportunities for children to complete the daily mile at school.
Yoga	£2613	Broadening children's experience of sport's activities. Promoting a calm atmosphere and encouraging children to respect each other's different strengths and abilities. These sessions will help children to learn about relaxation and building core strength.	
Swimming (KS2)	£1775	Ensure that all children master this highly important life skill before leaving school. This will impact directly on pupils staying safe in the future.	
Event Transport	£445	Opportunities to compete against pupils from other schools. Gain confidence in competing at higher levels especially being a small school as there can sometimes be only a few girls/boys in a particular year group.	
PE Coordinator cover Staff Training	£440 £90	Shared expertise resulting in broader knowledge base across all staff. Support needs will be identified and training put in place. Experienced teacher from local Secondary School working alongside staff new to teaching PE for 3 afternoons.	
Area Sports Sportshall Athletics	£500	Professional event inspiring future athletes, fostering a lifelong commitment to building skills in athletics events through Olympic role models. This will encourage children to participate in competitive sports and enrich our PE curriculum with opportunities for pupils to improve their existing skills. Supporting children to advance to higher levels in focus sports activities.	
PE Consultant Sports package	£903.50	Boost participation for children of all abilities in sport and raise the profile of sport amongst pupils and parents, through taster sessions, tournaments, fitness festival and event days. Training courses will ensure staff are confident and deliver high quality PE sessions. Raise achievement through increased confidence and more positive attitudes to sport.	
Grounds Maintenance	£2292	Large, safe outdoor space available for physical activities.	
Sportsafe Annual Inspection	£200	Safe equipment to minimise risk of injury.	
Indoor PE Inspection	£200	High quality, maintained resources to maximise participation in physical activity.	
Lunchtime Sports Clubs	£565	Professional sports coaches to run a variety of physical activities 3 times a week, to develop health and fitness.
