Family Talk Homework

Giving and Receiving

We all love a good John Lewis advert at Christmas and for this special Christmas edition of the Family Talk Homework, I'm inspired by the one from 2011 called 'The Long Wait'.

The link is below if you want to watch it.

You could talk about: How giving can make you feel even better than receiving

Where the tradition of giving at Christmas comes from

The Christian belief that God sent Jesus to us as the most special gift

How gifts that cost very little can mean so much
