Horspath C of E School Newsletter

5th June 2020

Dear Parents, Carers and Children,

I hope you have had another successful week of home learning. As you know, Acorns, Beech Y1's and Willow Y6's came back to school this week. It has been so nice to see their smiling faces and we have been very impressed with the maturity they have shown with adjusting to the new routines.

Each day we will have about 60 children in school. Everyone washes their hands when they come in from outside and everyone must keep their distance from others. Here's what some of the children had to say about what school is like now.

The classrooms all face forward but they still feel nice and cozy.

We can spread out at play because there are not so many of us.

It's great being back with our teachers.

It's not so nice because we can't be with all our friends at the same time.

Smaller classes mean you get less distracted.

Here are some pictures of what the classrooms look like now. As you can see, we are still able to have fun whilst social distancing.

Horspath Stone Pit Charity

If you live in Horspath, you will have had a leaflet through your door telling you about the support the Stone Pit Charity can offer to residents who are experiencing financial hardship during the Covid-19 outbreak. If you would like us to refer you for assistance, please contact the school office or discuss it with your child's class teacher.

Collective Worship

Collective worship is an important part of our identity as a church school. Please spend some time during the week watching the collective worship videos that Rev'd Karen and I put together, we are also watching them in school. Though social distancing means we can't all come together, it is a great way of keeping our school community alive.

Wildlife photography competition

Thank you to all those who entered the competition. The entries are being judged at the moment and we will announce the winners early next week.

End of year reports

Due to the Covid-19 outbreak we be writing end of year reports a little differently this year. Teachers will be asking you and your child to answer some questions to help them complete the report. Your child will also be asked to choose and send in their favorite piece of work to be included in the report. More details and deadlines will be sent out next week.

Finally, children as always, look on the Head teacher page of the learning site for some weekend riddles.

Stay alert, stay safe but most of all stay blessed.

Mrs Rachel Medley
