Family Talk Homework

Where there is no vision the people perish- Proverbs 29:18

What is your vision for our school Pt2 ?

This year we want to revisit our school vision. We would like everyone in the school community to contribute ideas to help us decide what our vision should be.

This weeks family talk homework is a Diamond nine activity. This is an activity that the teachers and Governors did on our inset day. It will be fascinating to see if you come up with the same 'top 3' as they did.

When you are done please take a picture of your diamond and send it to headteacher@horspathschool.org, please use the subject **Diamond Nine**
